Areas marked in red are

DANGER ZONES

where chances of encountering wildlife on the road is very high.

MOOSE AND MAVERICK REMINDE ALL DRIVERS TO:

- **Slow** down, stay **alert** and **expect wildlife on roads** even in town.
- Put your **phone down** and drive. Distracted driving increases chances of hitting an animal.
- Be extra cautious between **dusk and dawn** when light levels are low and animals are active.
- More than **500 ANIMALS WERE KILLED LAST YEAR** by vehicle collisions in Teton County.

**REDUCING YOUR SPEED CAN
MAKE A DIFFERENCE.**
