

MORE THAN 500

ANIMALS WERE KILLED LAST YEAR

by vehicle collisions in Teton County

50%

of all wildlife vehicle collisions occur during the Winter (December - March)

\$30,760

Average cost of a collision between a moose and vehicle.

DON'T BE A PART OF THESE STATISTICS....

SLOW DOWN, especially in the winter and at night

BE ALERT to wildlife movement areas and know that wildlife generally spend more time near roadways in winter

AVOID DISTRACTED DRIVING, INCLUDING TEXTING - even looking away for a second matters!

REDUCING YOUR SPEED CAN MAKE A DIFFERENCE.
