PERFORMERS

Sections:

5.22.010 Definitions.

5.22.020 Intent and purpose.

5.22.030 Cooperative performances; limit on number of street performers.

5.22.040 Regulations.

5.22.010 Definitions.

As used in this section, the following terms shall have the following meanings:

- A. *Perform or performance* is audible or visual entertainment such as, but not limited to, reciting or singing, acting, dancing, miming, pantomiming, playing a musical instrument or performing a theatrical or literary work.
- B. *Performer* is an individual who performs on public property within the Town.

5.22.020 Intent and purpose.

The Town Council finds and determines the following:

- A. Permitting regulated performances by performers would enhance the character and culture of the Town. Performers are engaged in commerce as entertainers who receive gratuities in exchange for the artistic value of the performance.
- B. Performers have a right to perform on public property, but unregulated performances are also likely to cause adverse impacts to the community such as: gathering crowds attracted to the entertainment offered in public locations not appropriate for street performances because of insufficient room for crowds; blocked access to fire hydrants, sidewalks and public pathways; blocked ingress and egress of buildings; the risk of disrupting nearby motor vehicle traffic; interference with the operation of commercial activities; and disturbance of the quiet enjoyment of residents. Performances are distinguished from panhandling activities by the commercial nature of the performer's actions which provide the benefit of a live performance of artistic value in exchange for gratuities from citizens in appreciation of the performance. Therefore, the nature and character of a performance differs from solicitation of alms and/or charitable contributions.
- C. For these reasons, it is the intent of the Town to permit performances to careful regulation in order to reduce or eliminate adverse impacts associated with unregulated or poorly regulated performances. The purpose of this section is to create a means of regulation which ensures the ability of performers to perform in public spaces and to promote harmony among performers, local businesses, permitted special event sponsors, residents and visitors of the Town by balancing the interests of performing artists with those of citizens.

5.22.030 Cooperative performances; limit on number of street performers.

- A. Any performance may be performed cooperatively by no more than five total performers, provided that the performer or group of cooperating street performers stay at least 100 feet away from all other performances. Each cooperative performer within a single group is required to meet the permitting requirements of this section.
- B. The provisions of this subsection shall not relieve any performer in a cooperating street performance from complying with the regulations contained in chapter 5.22.060.

5.22.040 Regulations.

Performers shall comply with the following regulations:

- A. Performers shall not perform within the travel lane, parking spots or shoulder of any highway or street, whether from a vehicle or not, nor within ten feet of the outer edge of the travel lane or shoulder of a street or highway, with the exception of being on a sidewalk.
- B. Performers shall not block or cause the blocking of any sidewalk, passageway, street, bus stop, crosswalk, or any ingress or egress to any building, structure, driveway or other passage. A minimum of five feet of unobstructed pathway on all sidewalks and crosswalks must be maintained at all times.
- C. No performer shall utilize or prevent the public from utilizing any waste receptacles, fire hydrants, public amenities, public benches, or other street furniture during a performance.
- D. Performers shall perform at least 100 feet away from other performers.
- E. Performances are not permitted before 10:00 a.m. any day nor after 10:00 p.m. Sunday through Thursday nor after 12:00 a.m. Friday and Saturday.
- F. Performers shall not commit any violation of the Jackson Municipal Code noise control provisions.
- G. Amplification devices are prohibited during performances.
- H. No performer on public property shall connect to, or cause to be connected to, any source of electrical power or a water supply system as part of a performance.
- I. No performer shall claim a greater right to perform at any location over a performer who arrives first at the same location.
- J. Performers shall not perform on private property without written permission of the property owner. Performers are required to keep the writing granting such permission on their person during any performance on private property.
- K. Performers may accept contributions of money or property at their performance in exchange for their artistic performance and may sell audio or video recordings of their own artistic works. Performers shall not sell any other goods, wares, or works of art or conduct any other service on public property in connection with a performance.
- L. Performers shall not infringe upon or detract from the purpose of special events or vendor activities for which a Town permit has been issued to another party. Performers shall not perform at such permitted special events or vendor activities without the written permission of the special event permit holder. A special event permit holder may only grant permission to perform within the special event area to a performer permit holder. Performers are required to keep the writing granting such permission on their person during any performance at permitted events, gatherings or activities.
- M. During a performance, no performer shall use in any way fire, sharp instruments or objects, spray paint, aerosols, dangerous weapons, or any form of harmful chemicals.
- N. No performer shall use any animal as a part of a performance. A performer may be accompanied by a service or disability assistance animal.
- O. While conducting a performance, a performer shall not use language or gestures, or display any matter which:

1. Is obscene as defined in Wyoming Statute § 6-4-301; or
 2. Constitutes breach of the peace as set forth in Wyoming Statute § 6-6-102.
- P. Performers may display one sign no larger than 18 inches by 18 inches. Said sign may be placed on a prop or sandwich board-type stand in a location no closer than three feet from any curb and not in any location which impedes any foot traffic, parking or persons entering or exiting any motor vehicle. Performers shall remove such signs from any location at the conclusion of their performance. No sign, handbill, flyer or other advertisement shall be left at any location after the conclusion of a performance.
- Q. Performers shall not be under the influence of alcoholic beverages or other controlled or intoxicating substances while performing.
- R. Performers shall be liable for any property damage or injury resulting from a performance.
- S. Performers shall promptly comply with the directions of any Town official to cease or relocate performances when the Town official determines that such action is necessary for public safety or to comply with the provisions of this chapter.

- H. It is the purpose of this section to regulate the standards of adult entertainment business to promote the health, safety, and general welfare of the citizens of Jackson, Wyoming, and to establish reasonable and uniform regulations to address the adverse secondary effects of adult entertainment business within the Town.
