And
Southern Teton Area Rapid Transit (START)**

**Equal Employment Opportunity (EEO) Program
August 2022**

INTRODUCTION

START Bus is a Town of Jackson department that is jointly funded by the Town of Jackson, Wyoming and Teton County, Wyoming. We have a Joint Powers Agreement setting forth a Joint Powers Board that serves as an advisory board to the START Bus System. This EEO Program reports on only those positions within the Town of Jackson organization that are transit related. That includes all START Bus employees, Town Administration, Personnel, Finance, as well as mechanics in the Public Works Department that service START Bus vehicles.

The Town of Jackson and START Bus is committed to the concept and practice of equal employment opportunity and affirmative action in all aspects of employment. In developing and implementing this EEO Program, the Town of Jackson and START Bus has been guided by established policy of providing equal employment opportunity. The Town of Jackson has completed an EEOP for another program in Town government since 2010. The Town Council of the Town of Jackson adopted a Non-Discrimination Ordinance on July 16, 2018 that sets out a process for filing complaints and how those complaints will be handled for anyone within the Town of Jackson including the Town of Jackson organization. Complaint procedures for Title VI are posted on the START Buses and also on the START website.

I. Policy Statement

The Town of Jackson, as well as each of the Departments within the Town of Jackson including START Bus, has a strong commitment to the community we serve and our employees. As an equal opportunity employer, we strive to have a workforce that reflects the community we serve. No person is unlawfully excluded from employment opportunities based on race, color, religion, national origin, sex (including gender identity and sexual orientation), age, genetic information, disability, or veteran status, or other protected class.

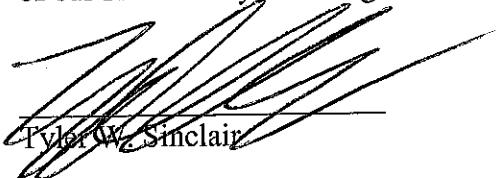

This Town of Jackson EEO Policy applies to all employment actions, including but not limited to, recruitment, hiring, selection for training, promotion, transfer, demotion, layoff, termination, rates of pay or other forms of compensation, and use of facilities for transit related employees.

All applicants and employees have the right to file complaints alleging discrimination. As the Interim Town of Jackson Town Manager, I, Tyler Sinclair, maintain overall responsibility and accountability for the Town of Jackson's compliance with its EEO Policy and Program of which the START Bus is one Department. To ensure day-to-day management, including program preparation, monitoring, and complaint investigation, I have appointed, Roxanne Robinson, the Assistant Town Manager, as the Town of Jackson's EEO Officer. The Assistant Town Manager reports directly to me and acts with my authority with all levels of management, labor unions, and employees.

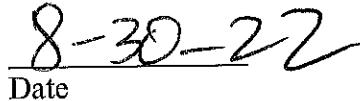

All Town of Jackson executives, management, and supervisory personnel, however, share in the responsibility for implementing and monitoring the Town of Jackson's EEO Policy and Program within their respective areas and may be assigned specific tasks to ensure compliance is achieved. The Transit Director over the START Bus system is one such manager that shares in this responsibility. The Town of Jackson will evaluate its manager's and supervisor's performance on their successful implementation of the Town of Jackson's EEO policies and procedures in the same way the Town of Jackson assesses their performance regarding other goals for the organization.

The Town of Jackson is committed to maintaining its non-discrimination program that sets forth the policies, practices and procedures, to which the Town is committed and the Town of Jackson will make the EEO Policy and Program available for inspection by any employee or applicant for employment upon request. Further the Town of Jackson is committed to administering this EEO Policy and Program to overcome the effects of any past discrimination on minorities and women.

As Interim Town Manager, I am personally committed to a workplace that acts upon its daily responsibility to treat all applicants and employees with dignity, respect, and equity under the guidelines of our EEO Policy and Program.

Instead the Town of Jackson is required to provide the EEO Program to FTA if requested by the Office of Civil Rights or for any State Management Review or Triennial Review.

Should the Assistant Town Manager not find someone suitable for the position, the position advertising period may be extended, suspended, or other alternatives discussed for filling the position(s) utilizing existing staff or other creative methods.

For seasonal/variable hour positions, a recommendation and a request for a conditional offer is made to the Assistant Town Manager by the Department Director, Operations Manager, or Division leader handling the recruitment, and the Assistant Town Manager provides approval for hiring the candidate under the authority of the Town Manager.

C. Job Descriptions

Job descriptions are periodically reviewed, evaluated and, where necessary revised to ensure that they are job-related and to ensure that they do not screen out minorities and women.

D. Transfer, Reclassification, Promotion, and Shift Scheduling Practices

The Town of Jackson's transfer, reclassification and promotion practices are periodically monitored to ensure that lateral and vertical movement occurs without regard to any protected status.

Seniority within the organization plays a role in terms of transfer, promotional practices, and shift scheduling for seasonal/variable hour START Transit Operator positions and is utilized without

regard to any protected status. Seniority is determined for variable hour START Transit Operators based on total hours worked during the past 7 years.

E. Compensation and Benefit Programs

The object of the Town of Jackson's compensation and benefit programs is to permit the Town and its Departments to attract, retain and motivate high caliber employees and to provide salaries and benefits commensurate with the Town's financial goals and constraints and with comparable and competing organizations. The compensation and benefit programs are periodically reviewed to ensure equal treatment is provided to all employees. The established programs are non-discriminatory and are administered without regard to any protected status.

Seasonal/variable hour employees are eligible for health insurance pursuant to the Town's policy in accordance with the Patient Protection and Affordable Care Act. That policy is attached as Exhibit A.

F. Disciplinary Procedures and Termination

Employees of the Town of Jackson and all departments thereof, including START Bus, are at-will employees which means that employment can be terminated by either party at any time for any reason or for no reason. Disciplinary actions may be initiated as deemed necessary by the Town with or without cause at the sole discretion of the Town. Depending upon the circumstances, one or more of the following kinds of disciplinary actions may be taken: suspension without pay, demotion, or termination. An employee can be terminated at any time for any reason or for no reason. The Department Director shall recommend disciplinary actions in writing to the Personnel Director, and they require the Town Manager's approval.

Prior to termination, an employee shall be offered an informal pre-termination meeting before the Town Manager and Personnel Director. At the hearing, the employee will be able to state their reasons as to why the termination should not take place.

An employee may be suspended without pay and without prior notice if the employee engages in personal conduct detrimental to service with the Town, to avoid undue disruption of work, or to protect the safety of persons or property.

G. Layoffs

In the event a reduction in force situation should occur, employees shall be laid off as specified by the Town Manager without regard to any protected status. Employees who are laid off because of a reduction in force shall be given at least two weeks notice of anticipated lay-off and shall be given first opportunity to return to work should an opening become available commensurate with their skills.

The Town Manager shall prepare and implement lay-off procedures due to a lack of funds, lack of work, reorganization, or any other reason he deems appropriate. The Town Manager shall determine the number and kind of positions to be affected.

Variable hour START Transit Operators may be laid off periodically because of reduced service levels. Variable hour START Transit Operators are laid off based on seniority with the START Bus.

EEO and Title VI Complaints Log

The Town of Jackson Assistant Town Manager shall maintain a log of EEO Policy and Program and Title VI complaints received. The log shall include the date the complaint was filed, a summary of the allegations, the status of the complaint, and actions taken in response to the complaint.

VII. Underutilization Analysis and Goals:

As noted in Section 1.4 of FTA C4704.1A, because the Town employees between 50-99 transit-related employees and receives capital or operating assistance in excess of \$1Million in the previous Federal fiscal year, or requests or receives planning assistance in excess of \$250,000 in the previous Federal fiscal year, the Town of Jackson must only prepare and maintain an abbreviated EEO Program and we are not required to conduct a utilization analysis with goals and timetables or to submit the EEO Program to FTA every four years. Instead the Town of Jackson is required to provide the EEO Program to FTA if requested by the Office of Civil Rights or for any State Management Review or Triennial Review.

VIII. Monitoring and Reporting

A. Monitoring

The Assistant Town Manager meets with the Town Manager on a weekly basis to discuss the status of job vacancies, recruitment efforts, employee housing availability, training programs and any performance/disciplinary issues in the organization. Additionally, a separate meeting has been scheduled to meet 3 times per year to specifically discuss Equal Employment Opportunities, any complaints, and how the Town is working to increase representation of underrepresented women and minorities in the workplace. Because of the significant and extreme cost of living in the area, the Town of Jackson and START Bus struggles to attract and retain employees in all categories, especially with Transit Operators. We continue to investigate and pursue all avenues for hiring employees including Transit Operators, and those avenues include employee and affordable housing, wages, commuter bus service, etc. The Town of Jackson offers Spanish fluency stipends to full time and variable hour employees. These stipends extend up to \$400/month depending on the level of fluency and ability to utilize all forms of fluency including speaking, writing, and reading. The

Town of Jackson also reaches out regularly to CLIMB Wyoming in terms of employing women in the workforce.

B. Report Accomplishments and Lack of Accomplishments to Management

Accomplishments and lack of accomplishments will be presented to the Town Manager and discussed 3 times per year specifically related to Transit related positions. An EEO Report will be updated annually and posted internally and externally.

C. Enable the Evaluation of the Program During the Year

All policies and recruitment/employment practices are open for evaluation during the year and complaints/comments are welcome.

IX. Problem Areas Identified

Housing continues to be a barrier to equal access to employment with the Town of Jackson. The Town of Jackson continues to pursue opportunities for additional employee rental and ownership opportunities for all employees including Transit related employees both full time and variable hour.

Exhibit A
Policy on Provision of Health Insurance for Variable Hour Employees

Implementation Date: July 1, 2015
Measurement Period Implementation: June 1, 2014
Town Manager Authorization June 1, 2014

Purpose: The purpose of this policy is to outline the provisions for health insurance coverage to Variable Hour employees pursuant to the Patient Protection and Affordable Care Act of 2010 (PPACA). A Variable Hour employee is an employee other than regular Full Time. A regular Full Time employee is one that works 30 hours per week or more and whose position is authorized for full benefits including leave time, etc. This policy shall be provided to all Variable Hour employees on June 1 of 2014 and all new hires after that date.

Eligibility:

1. The Administrative Period is June of each year with June of 2015 as the first Administrative Period. During June of each year, the Town will look back over the Measurement Period of 12 months to determine if any Variable Hour employees are eligible for health insurance coverage pursuant to the PPACA.
2. To be eligible, Variable Hour employees must have averaged 30 hours/week during the previous Measurement Period.
3. The Measurement Period is 12 months and runs from June 1 to May 31 of each year. For Variable Hour employees hired after June 1 of 2014, for their first 12 months of employment their Measurement Period will be 12 months from their date of hire and their Administrative Period will be the 13th month after their date of hire. Thereafter, the employee will fall under the same Measurement Period and Administrative Period as other employees.
4. Includes only medical insurance coverage.
5. The Stability Coverage Period is 12 months and runs from 7/1 through 6/30. This period overlaps with the Administrative Period.
6. Once an employee becomes eligible for coverage and they elect the Town of Jackson's coverage, they are covered for 12 months, regardless of the amount of hours worked.
7. Coverage can be declined.
8. Scheduling will be conducted such that staff does its best to schedule those variable hour employees already covered on insurance for a minimum of 30 hours/week.
9. Scheduling will be conducted such that staff creates as many opportunities for a variable hour employee to meet and maintain an average of 30 hours/week with the understanding that there still will be scheduling challenges that are not conducive to averaging this amount but that those challenges will be minimized to the greatest extent possible.

Health Insurance Coverage and HSA Contributions from the Town of Jackson:

1. The Town has a Health Savings Account (HSA) and the Town contributes match funding to the HSA for each regular full-time employee and eligible variable hour employee. HSA contributions are currently a dollar for dollar match up to the maximum. For example an employee must contribute \$10/month to receive \$10/month in match money from the Town of Jackson. These contributions can be changed for individuals at their request, through the Finance Department at any time during the year. For variable hour employees, the contribution would be the same as it is for regular full time employees.
2. The Town matches up to \$2500 for family coverage and up to \$1250 for single coverage.
3. Variable hour employees eligible for Medicare are not eligible for the HSA plan and will instead be provided a dollar for dollar match into deferred comp for as long as the Town of Jackson offers this option.

Termination of Coverage and Provision of COBRA:

1. Coverage will be terminated at the end of the stability period if a variable hour employee has not maintained the 30 hour/week average as calculated during the administrative period for the 12 month measurement period.
2. Coverage will be terminated if the employee separates employment of their own volition.
3. When a covered variable hour employee is laid off by the Town of Jackson, the employee will be asked to sign a document indicating their intent to return to work when work becomes available. If they have no intention of coming back to work, they are no longer a variable hour employee and no longer eligible.
4. Once coverage has been terminated, the variable hour employee will be sent COBRA paperwork where they have the option of remaining on the Town's insurance while making their own premium payments.

5. If coverage for a variable hour employee is terminated, upon rehire, the Town will begin a new measurement period for that employee.
