

## Free, on-demand rides

This service provides free, on-demand transportation using smaller vehicles within two (2) Service Areas of Jackson, Wyoming.

**East Jackson Service Area** - Serves the areas between the western boundary of Karns Meadow and the Town's eastern limits, including a NEW drop-off & pick-up at Albertsons from 7PM-11PM only.

Providing seamless public transport, riders will be able to schedule service through an app to and from any location in the service area in East Jackson including to START's transit hub at Miller Park for connection to Local and Teton Village routes.

Skiers in East Jackson - Rides to the Village will now be via an On-Demand service to transfer to a bus at Miller Park.

**"South Town" Service Area** - This new service serves the neighborhoods of Rafter J, South Park and Melody Ranch, with drop-off at Smith's Shopping Plaza bus stop. Providing seamless public transport, riders will be able to schedule service through an app to and from any location in the service area in "South Town" neighborhoods including to START's transit bus stop at Smith's shopping plaza for connection to the Town Shuttle and Teton Village South routes.

You can download the app:
